

WORK PROGRAMME HOUSING, PLANNING & ENVIRONMENT OVERVIEW AND SCRUTINY COMMITTEE

The table below sets out the Scrutiny's work programme for Members to develop, review, and agree. This is a 'live' document and will be updated where necessary at each meeting to ensure that the Committee's work programme remains current.

The Committee is asked to outline specific requests to be addressed by the report authors in preparing the reports coming forward to this Committee.

At the Committee's first meeting the following standing agenda items were agreed:

- brief update on the Greater Manchester Spatial Framework (if no substantive item is on the agenda)
- work programme

In addition the Committee will be circulated with the GMCA's register of key decisions and the GMCA's monthly decision notice.

The Committee may wish add to their work programme in February to use the chance to examine the proposed new GMS Performance Management Framework.

The Committee may also choose to establish a task and finish group to investigate a particular topic in more detail.
