1. Proposals for Consideration

1.1 To provide an outline of the key features of Greater Manchester’s feasibility study and its Outline Business Case to reduce nitrogen dioxide exceedances in the shortest possible time that has been developed collectively by all Greater Manchester local authorities and the GMCA, and co-ordinated by TfGM in line with Government direction and guidance.

2. Recommendations

2.1 Members are recommended to:

- Note and comment, as appropriate on the attached report submitted to GMCA on 1 March 2019.
