vii We confirm that we are satisfied that the actuarial assumptions underlying the valuation of pension scheme assets and liabilities for IAS19 Employee Benefits disclosures are consistent with our knowledge. We confirm that all settlements and curtailments have been identified and properly accounted for. We also confirm that all significant post-employment benefits have been identified and properly accounted for.

   The GMWDA financial statements are free of material misstatements, including omissions.

xi Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards.

xii We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the GMWDA financial statements.

than adequate for the GMWDA’s needs. We believe that no further disclosures relating to the GMWDA’s ability to continue as a going concern need to be made in the financial statements.
